Special Notes:

The Plano Senior Varsity Coaching Staff will provide an in-depth look into the art and skill of shooting and shot making craft. We will teach shooting techniques, shot mechanics, skill, and the mental approach of successful shooting and shot making. We will then use that to set up competitions that not only include shooting but game play. We will then progress to game strategies and helping raise your players Basketball IQ, to help make them the best basketball player they can be. Campers will be divided into groups based on skill level so that they can compete and be challenged appropriately. Please bring a water bottle, a snack or money for concessions, and a winning attitude! NO BASKETBALLS WILL BE NEEDED. Concessions will be open daily during the snack break!! Can't Wait to See Everyone at Camp!
